ABOUT SUN INOX

Forging Trust. Delivering Excellence.

Sun Inox Metal Forge Pvt. Ltd. is an Indian forging company committed to delivering high-quality, precision-engineered forged components for critical industries.

With over 30+ years of forging engineering and project execution experience, our team combines expertise, innovative technology and a customer-first approach to deliver reliable and cost-effective forging solutions.

We proudly support India's Make in India and Atmanirbhar Bharat initiatives through indigenous engineering and sustainable manufacturing.

SOLUTIONS

OUR FORGING CAPABILITIES

Advanced Technology.
Superior Results.

HOT FORGING

High strength, close tolerance components

OPEN DIE & CLOSED DIE FORGING

Versatile solutions for complex geometries

PROCESS DEVELOPMENT

Optimized processes for quality & efficiency

TOOL & DIE DEVELOPMENT

In-house design and development

HEAT TREATMENT

Controlled processes for superior properties

METALLURGY & MATERIAL CONTROL

Material expertise and strict quality control

ACTUAL SUN INOX FORGING FACILITY

DEFENCE & STRATEGIC FORGINGS

Precision-engineered forged shells for global defence applications.

WHY SUN INOX?

Your Partner in Progress.

30+ YEARS OF EXPERIENCE

Deep expertise in forging engineering & execution

INDIGENOUS ENGINEERING

Designed and developed in India

COMPETITIVE CAPITAL COST

Optimized solutions for better ROI

EXPERIENCED TECHNICAL TEAM

Skilled professionals, proven track record

FLEXIBLE & CUSTOMER ORIENTED

Custom solutions with timely delivery

QUALITY, RELIABILITY & TRUST

Our commitment, always

Forging lasting relationships
through quality, trust and
engineering excellence.

LET'S BUILD A
STRONGER TOMORROW
TOGETHER.

SUN INOX
— METAL FORGE —

HEAD OFFICE & WORKS

Gat No. 58 & 59, Village Nandal,
Near Cummins India, Phaltan,
District Satara, Maharashtra, India.

FACTORY ADDRESS

HEAD OFFICE & WORKS
Jagannath Nagar,
Village - Nandal,
Behind Mahindra Logistics Ltd.
Phalthan, Distt. Satara, Bharat.
